Terms and conditions for this offer:

1. Offer available to customers with a billing address in the United States only. One promotional code per advertiser.
2. To activate this offer: Enter the promotional code in your account before December 31, 2019. In order to participate in this offer, you must enter the code within 14 days of your first ad impression being served from your first Google Ads account.
3. To earn the credit: Start advertising! The advertising costs you accrue in this account in the 30 days following your entry of the promotional code, excluding any taxes, will be matched with an advertising credit in the same amount, up to a maximum value of \$150.
4. Once 2 and 3 are completed, the credit will typically be applied within 5 days to the Billing Summary of your account.
5. Credits apply to future advertising costs only. Credits cannot be applied to costs accrued before the code was entered.
6. You won't receive a notification once your credit is used up and any additional advertising costs will be charged to your form of payment. If you don't want to continue advertising, you can pause or delete your campaigns at any time.
7. Your account must be successfully billed by Google Ads and remain in good standing in order to qualify for the promotional credit.
8. Full terms and conditions can be found here <http://www.google.com/ads/coupons/terms.html>.
